

IT'S A HAP-HAP-HAPPY DAY

**Let's celebrate, let's get that holiday feeling,
We've got our cares on the run.
Let's shout it out so everybody can hear it,
We've found our place in the sun.**

CHORUS

**It's a Hap-Hap-Happy Day,
Toodle, oodle, oodle, oodle, oodle ay.
For you and me, for us and we,
The clouds have roll'd away.
It's a Hap-Hap-Happy Day,
Toodle, oodle, oodle, oodle, oodle ay.
The sunshine's bright and the world's all right,
It's a Hap-Hap-Happy Day.
Four and twenty sunbeams are dancing 'round my face,
Four score and twenty more are dancing ev'ry place.
It's a Hap-Hap-Happy Day,
Toodle, oodle, oodle, oodle, oodle ay,
You can't go wrong if you sing a song,
It's a Hap-Hap-Happy Day.**

THE GRAND OLD DUKE OF YORK

O, the Grand Old Duke of York,
He had ten thousand men
He marched them up to the top of the hill
And he marched them down again.
And when they were up they were up,
And when they were down they were down,
And when they were only half way up
They were neither up nor down.

Dedicated Follower of Fashion

They seek him here, they seek him there,
His clothes are loud, but never square.
It will make or break him, so he's got to buy the best,
'Cos he's a dedicated follower of fashion.

And when he does his little rounds,
Round the boutiques of London town
Eagerly pursuing all the latest fads and trends,
'Cos he's a dedicated follower of fashion.
Oh yes he is ___ (Oh yes he is ___)
Oh yes he is ___ (Oh yes he is ___)
There's one thing that he likes and that is flattery,
One week he's in polka dots the next week he's in stripes,
'Cos he's a dedicated follower of fashion.
Oh yes he is ___ (Oh yes he is ___)
Oh yes he is ___ (Oh yes he is ___)
His world is built round discotheques and parties,
This pleasure seeking individual always looks his best,
'Cos he's a dedicated follower of fashion.

They seek him here, they seek him there,
In Regent Street and Leicester Square.
Ev'ry where the Carnabyton army marches on,
Each one a dedicated follower of fashion.
Oh yes he is ___ (Oh yes he is ___)
Oh yes he is ___ (Oh yes he is ___)
He thinks he is a flower to be looked at,
With colours that attract the bees, he really is a sight
'Cos he's a dedicated follower of fashion.
Oh yes he is ___ (Oh yes he is ___)
Oh yes he is ___ (Oh yes he is ___)
He flits from shop to shop just like a butterfly,
In matters of the cloth he is as fickle as can be,
'Cos he's a dedicated follower of fashion,
He's a dedicated follower of fashion,
He's a dedicated follower of fashion.

SO LONG, IT'S BEEN GOOD TO KNOW YOU.

They march to and fro across the stage during the choruses

CHORUS

So long, it's been good to know you,
So long, it's been good to know you,
So long, it's been good to know you,
It's a long time since I've been home
And I'd better be moving along.

While they are singing, the villager has crept back and is joining in the marching to and fro. The Prince explains the following to him.

PRINCE

I'd go, but I'd get so dirty,
I'd go, but I'd get so dirty,
I'd go, but I'd get so dirty,
It's a long time since I've been home
And I'd better be moving along.

He pushes the villager into the cave.

CHORUS.

While they are singing, the villager has crept back and is joining in the marching to and fro. The Captain explains the following to him.

CAPTAIN

I'd go, but my Country needs me,
I'd go, but my Country needs me,
I'd go, but my Country needs me,
It's a long time since I've been home
And I'd better be moving along.

He pushes the villager into the cave.

CHORUS

While they are singing, the villager has crept back and is joining in the marching to and fro. The Guard explains the following to him.

GUARD

I'd go, but my Captain needs me,
I'd go, but my Captain needs me,
I'd go, but my Captain needs me,
It's a long time since I've been home
And I'd better be moving along.

He pushes the villager into the cave.

CHORUS

Look For The Silver Lining

**Please don't be offended if I preach to you a while,
Tears are out of place in eyes that were meant to smile.
There's a way to make your very biggest troubles small:
Here's the happy secret of it all.**

CHORUS

**Look for the silver lining whene'er a cloud appears in the blue.
Remember somewhere the sun is shining
And so the right thing to do is make it shine for you.
A heart full of joy and gladness will always banish sadness and strife,
So always look for the silver lining and try to find the sunny side of life.**

**As I wash my dishes I'll be following your plan,
Till I see the brightness in ev'ry pot and pan.
I am sure your point of view will ease the daily grind,
So I'll keep repeating in my mind.**

CHORUS

**Look for the silver lining whene'er a cloud appears in the blue.
Remember somewhere the sun is shining
And so the right thing to do is make it shine for you.
A heart full of joy and gladness will always banish sadness and strife,
So always look for the silver lining and try to find the sunny side,
To find the sunny side, to find the sunny side of life.**

I WANT TO BE EVIL

**I want to be evil, I want to be bad.
When people are happy I soon make them sad.**

**I want to be wicked, I want to be mean.
If you will all help me we'll make a great team.**

**In the cave lives a dragon who is under my spell.
Only I know the secret and I'm not going to tell.**

**I want to be horrid, I want to be cruel.
Whatever I'm doing I break all the rules.**

**I want to be nasty to that spoilt Princess.
When I've worked my magic she'll be such a mess.**

**Now come little Noblins just listen to me.
Try your best to be evil, it will till you with glee.**

**I love being evil, it fills all my needs.
Now away little Noblins, and do your bad deeds.**

If You Were The Only Girl In The World

**If I were the only girl in the world
and you were the only boy
Nothing else would matter in the world today
We could go on loving in the same old way
A garden of Eden just made for two
With nothing to mar our joy
I would say such wonderful things to you
There would be such wonderful things to do
If I were the only girl in the world
and you were the only boy.**

Repeat

Getting to Know You

(Sung by George to the dragon. The dragon looks doubtful)

Getting to know you, getting to know all about you,

Getting to like you, getting to hope you like me.

Getting to know you, putting it my way but nicely.

You are precisely my cup of tea.

Getting to know you, getting to feel free and easy,

When I am with you, getting to know what to say.

Haven't you noticed? Suddenly I'm bright and breezy

Because of all the beautiful and new things I'm learning about you

Day by day.

Repeat

Love and Marriage

(Sung by the Widow to the Captain who is unconvinced)

**Love and marriage, love and marriage,
Go together like a horse and carriage,
This I tell you brother, you can't have one without the other.
Love and marriage, love and marriage,
It's an institute you can't disparage.
Ask the local gentry, and they will say it's elementary.
Try, try, try to separate them, it's an illusion.
Try, try, try and you will only come to this conclusion.
Go together like a horse and carriage.
Dad was told by Mother,
You can't have one, you can't have none,
You can't have one without the other.**

Repeat

You're Just In Love

I hear singing and there's no one there,

I smell blossoms and the trees are bare,

All day long I seem to walk on air,

I wonder why, I wonder why.

I keep tossing in my sleep at night,

And what's more I've lost my appetite.

Stars that used to twinkle in the skies

Are twinkling in my eyes, I wonder why.

You don't need analyzing, it is not so suprising

That you feel very strange but nice.

Your heart goes pitter patter, I know just what's the matter,

Because I've been there once or twice.

Put your head on my shoulder, you need someone who's older,

A rub down with a velvet glove.

There is nothing you can take to relieve that pleasant ache,

You're not sick you're just in love.

Happy Days Are Here Again

**Happy days are here again,
The skies above are clear again.
Let us sing a song of cheer again,
Happy days are here again.**

**All together shout it now!
There's no-one who can doubt it now,
So let's tell the world about it now,
Happy days are here again.**

**Your cares and troubles are gone;
There'll be no more from now on.**

**Happy days are here again,
The skies above are clear again.
Let us sing a song of cheer again,
Happy days are here again.**
